

## Study in Israel

Israel's higher education institutions are known worldwide for their academic excellence, with several highly ranked universities. Students in Israel are encouraged to take an active role in their studies, to think critically and think creatively.

Israel is the land of innovation, also known as the "Start-Up Nation". It is a hotbed of hi-tech activity, with the world's highest investment per capita in start-up companies. Israel was ranked the 3rd most innovative country in the world (World Economic Forum Global Competitive Index). Studying in Israel gives you the opportunity to experience and participate in Israel's vibrant entrepreneurial culture and jump-start your career.

Israel has over 4,000 years of history, which have incorporated many different cultural influences. Whether it's food, history, art or music, you will have many opportunities to immerse yourself in Israel's fascinating culture throughout your studies.
